Founder of Heukchookwan Association

General Adviser of World Hapkido Competition Federation

Dear Heukchoo family,

I sincerely congratulate you all on the 7th anniversary of the Heukchoo USA Association.

I would like to praise President Son, Young-Gul and all the Masters and Instructors for the hard work and passion they contribute to Heukchoo, for the result is the growth of the Heukchoo USA Association.

Founded in the year 1960, Heukchookwan has been able to maintain its traditions, in large part by upholding the custom of the Master-student relationship for the last half century. It is my hope that Heukchookwan can continue to serve as a strong and reliable foundation for the entire Heukchoo family, as a deeply rooted tree is able to produce many branches and yield much fruit, no matter the adversity that time and weather bring.

I greatly appreciate all the guests who have supported the development of the Heukchoo USA Association, and I expect this event to become a festival of harmony, unifying us all in the Heukchoo spirit.

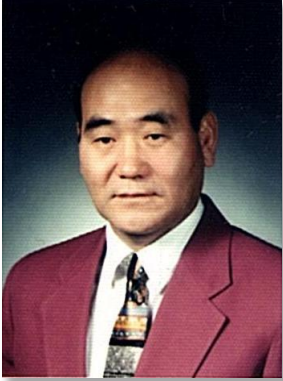

Lastly, I thank all the Heukchoo family for their support, and I wish good health and fortune to all in attendance and their families.

Thank you.
Heuk Choo.

Greetings!

I'd like to welcome all attendees to West Des Moines, Iowa, especially Heukchookwan founder, Grandmaster Jin, Jong-Moon. World Leader and Founding Grandmaster Jin, Jong-Moon is visiting the United States for the first time. We are so proud and lucky to be hosting him.

It is an honor, and I'm very happy and proud to serve as the President of the United States Hapkido Competition Association. I'd like to extend my warmest welcome to all of you from West Des Moines and the United States, as well as those of you visiting from outside the US.

After teaching at Iowa State University for 40 years, I finally left the cold countryside of Iowa. For the past and current martial arts family, most of you here have learned what we call the 5 C's: Commitment, Consistency, Continuity, Cooperation, and Citizenship. Most of you have also learned the 5 tenets of martial arts: Courtesy, Integrity, Perseverance, Self-Control and Indomitable Spirit.

I hope you are able to practice these principles for the rest of your life.

Congratulations, and thank you for joining us.

God Bless You,

Pak, Yong-Chin
